

STYLE & COMFORT

Our specially designated guest rooms and suites can accommodate all sizes of families. You can even bring your family pet to live with you during your stay. Our new kitchen facilities are only available to our Resident Stay guests. Free WIFI and free membership to The POiNT Health Club are also included.

A GREAT LOCATION

Dragon Hill Lodge's central location lets you conveniently explore the sights and attractions that make Seoul so special. Discover Seoul, our in-house vacation concierge, can help you explore more Korean culture, as well as destinations throughout Asia, without breaking the bank. We invite you to enjoy this dynamic, affordable and well-placed Resident Stay accommodation with us.

Bentley's Pub, located just off the main lobby, is where you'll want to stop to enjoy a pint or two and catch up with friends, or you can catch the big game on the wide screens. You will enjoy the cozy atmosphere with rich, old-English paneling where our house-brewed IPA is always on tap.

ABOUT US

Dragon Hill Lodge is a resort destination for eligible military personnel, their families, and DOD civilians offering American style accommodations and amenities to make a welcoming environment during your stay. Our Resident Stay Program, which is an approved and reimbursable housing option, is designed to accommodate military members for a little as one month or for as long as the entire length of your tour in South Korea. Located on Yongsan Garrison, we are close in proximity to all garrison services and the Korean Ministry of National Defense operations.
